When your spirit says sing,
you gotta sing right along,
You gotta sing when your
spirit says sing.

spirit says stamp,
You gotta stamp when your
spirit says stamp,
When your spirit says stamp, you
gotta stamp like a champ,
You gotta stamp when your
spirit says stamp.

You gotta wiggle when your
spirit says wiggle,
When your spirit says wiggle,
you gotta wiggle like a worm,
You gotta wiggle when your
spirit says wiggle.

spirit says dance,
You gotta dance when your
spirit says dance,
When your spirit says dance,
you gotta dance right along,
You gotta dance when your spirit
says dance. Let's dance!

5. You gotta hop when your spirit says
hop,
You gotta hop when your spirit says
hop,
When your spirit says hop,
you gotta hop to the top,
You gotta hop when your spirit says
hop.

6. You gotta sing when your
spirit says sing,
You gotta sing when your
spirit says sing,
When your spirit says sing,
you gotta sing right along,
You gotta sing when your
spirit says sing.
